MEDICINAL  
**BAD BLOOD**

Reveals itself in many ways. Sometimes the impurities in the blood mar the skin with blotches, pimples, boils or other eruptions. Sometimes the result of bad blood is a delicate condition which is popularly described as "feeling played out," hardly able to drag myself around."

The impurities and poisons which corrupt the blood, clog the liver and cloud the skin are removed by the use of Doctor Pierce's Golden Medical Discovery. It does more than eliminate the poisons; it increases the activity of the blood-making glands so that there is an increased supply of pure, body-building blood. It brightens the eyes, cleanses the skin, and gives new, physical energy.

Accept no substitute for Dr. Pierce's Golden Medical Discovery. "I thank God for the good your medicines have done me," writes Mr. James M. Sizemore, of Mitchell, Lawrence Co., Ind., Box 99. "I was not well for two years. My throat was always sore, head ached, and back ached nearly all the time. My weight was 155 pounds. I was taken sick with typhoid fever, and when the fever left me I had such a pain in my left side I could not breathe without pain. I thought I must die. My wife went to the drug store and procured a bottle of Dr. Pierce's Golden Medical Discovery and a vial of his 'Pleasant Pellets.' I discontinued the use of my doctor's medicine and began with the 'Golden Medical Discovery' and 'Pellets.' I am now feeling better; the pain soon left my side and I could breathe with ease. In a week or so I felt so good I could not stay in the room. I began to walk about the house. I felt better each morning. After a month's use of the medicine I was well. That was over a year ago. Now I weigh 175 pounds and feel better than ever in my life."

Dr. Pierce's Pleasant Pellets cure constipation.

## ACCUSED OF ROBBERY DYING.

Charged with robbing the dead and dying at the Iroquois Theatre fire in Chicago three men have been arrested by the police. The first one was Louis Witz, keeper of the Illinois saloon, at Dearborn and Randolph streets, a few doors from the main entrance of the theatre. It is charged that Witz robbed the body of a dying woman, Mrs. E. J. Trask, the afternoon of the fire, securing \$199, which, it is alleged, was divided among three men two of whom were arrested after Witz. The police state they received confessions from all three men. The other two arrested are Charles Conway, said to have received \$20 and Thos. McCarthy, alleged to have been given \$27.50. The third man, still at large, is a stranger, who was given \$12. He is said to be a traveling man from St. Louis. It is said that Witz confessed that \$210 was taken from the body of Mrs. Trask, of Ottawa, Ill., when she carried, dying, into the saloon. The money was handed Witz by a physician attending the woman. Witz is reported to have given \$11 to the police and told them it was all she had. State Manager William T. Carlton, of the "Bluebird" company, in the testimony at the inquest, admitted that on the opening night of the Iroquois Theatre the asbestos curtain not only caught in dropping, but was damaged by coming in contact with the "strip" lights lining the proscenium arch. After this occurrence, Carlton said, he spoke to Stage Carpenter Cummings about it and the latter promised to have men ready to shove back the lights at certain time so as to prevent any interference with the dropping of the curtain.
